Atrocities Aiming to Crush the Hawaiian Nation

for more see: <http://thoughtsmart.com/hawaii/dole-out.htm>

Army of Hawaii & "Citizens' Guard" rosters: reprinted verbatim from:

Towse, Edward (ed.). (1895) *The Rebellion of 1895: A Complete History of the Insurrection Against the Republic of Hawaii - List of Officers and Members of the National Guard of Hawaii and the Citizens' Guard.* (dated 30 Jan 1895), Honolulu: The Hawaiian Star. (source scan attached)

ARMY OF HAWAII total roster list 458 officers & soldiers

CITIZENS' GUARD total roster list 740 paramilitary forces

Total Forces: 1198 men: armed, threatening, dangerous, deadly

Note: very few Native Hawaiian names are included, and none amongst the officers.

Non-native residents were encouraged to serve in the "Citizens' Guard" (citizenship not required); Native Hawaiians & Asians were unwelcome.

Her Majesty Queen Lili'uokalani explicitly condemned her own inability against subversive ruthlessness.
see: Lili'uokalani, Queen of Hawaii (1898) *Hawaii's Story by Hawaii's Queen*. Chapter XXIX

"For many years our sovereigns had welcomed the advice of, and given full representations in their government and councils to, **American residents** who had cast in their lot with our people, and established industries on the Islands. As they became wealthy, and acquired titles to lands through the simplicity of our people and their ignorance of values and of the new land laws, their greed and their love of power proportionately increased... Although settled among us, and drawing their wealth from our resources, they were alien to us in their customs and ideas... **if we manifested any incompetency, it was in not foreseeing that they would be bound by no obligations, by honor, or by oath of allegiance, should an opportunity arise for seizing our country...**" -- Queen Lili'uokalani

We might assume many of these traitorous villains were used & then discarded by their greedy leaders, who boldly used their brute force, weapons, images and names to intimidate and subdue the local population, and to deter outside support for the legal government & Hawaiian Monarchy.

Their theft was immeasurable. We can never forget they trampled upon Her Majesty the Queen, and took rude advantage of Hawaiian Aloha.

The Hawaiian Government has not yet reasonably addressed the violence, racism, greed & treason of these 1198 men.

The below lists of 1198 militia forces are transcribed from rosters published by *The Hawaiian Star* in 1895.
